

REFERRAL PROGRAM

Referral Certificate

As a valued customer of Rudy Schmid Body and Frame Shop, you're no doubt very familiar with our dedication to your satisfaction, whether your visit to us consisted of major repairs, Rust Check corrosion protection, or an alignment and wheel balancing. Many of you have referred family and friends to us because you were pleased with our work- and we thank you for that.

In recognition of our more than 75 years in business, we're offering YOU, our best marketers, a thank you gift for your support. When you refer a NEW customer to us, we'll give YOU a gift certificate (\$25 value) toward collision or chassis/brake service (\$10 value for wheel alignment or Rust Check). Some restrictions apply.

Again - thank you for your fine support for over 75 years. We're pleased you've consistently chosen Rudy Schmid to be your body and frame shop.

Sincerely,

Diane Schmid-McCall
PJ Schmid
